Why Choose a Sage ACT! Solution?

Somewhere between the chaos of sticky notes and spreadsheets, and the complexity of CRM solutions lives an alternative for you—a Contact and Customer Manager. Sage ACT! is the #1 selling Contact and Customer Manager designed to help you engage in meaningful conversations with your customers so you can build long-lasting, profitable relationships.

Here are a few reasons why Sage ACT! hits the sweet spot for small businesses and sales teams, like yours:

- **#1 in the world.** Relax, you chose wisely. Sage ACT! is #1 selling with millions of successful customers. Because of this, many of your existing users, as well as future employees, will already be familiar with Sage ACT!.
- **Designed for you.** Designed specifically for small businesses and sales teams like yours, that is. We cut the fat and focused on the features you'll actually use from day one—and into the future as you grow.
- **Easier than the other guys.** Don't worry about a learning curve. Sage ACT! leads the industry in ease of use. The proof? You can get 25 percent* more work done by simply choosing to use Sage ACT! over competitive solutions.
- **Priced for the cost-conscious.** Sage ACT! is priced for cost-conscious small businesses and sales teams. You don't have to sweat about hidden costs popping up later or investing in a costly IT stack.
- **Personalizable.** Feel free to personalize Sage ACT! to fit your business even better. Design views, add fields and tabs, edit drop-downs, and customize templates.

*Based on a Keystroke Level Modeling competitive study conducted by Sage and Measuring Usability, LLC in May 2009. Competitors included Microsoft Dynamics® CRM and Salesforce.com.
