Why Choose a Peachtree Solution?

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Peachtree by Sage is the perfect choice for you. Peachtree is designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Peachtree is a comprehensive solution based on real, double-entry accounting principles with module- or screen-level security, audit trails, and automatic accounting checks. You get the accuracy and control you need to improve results.
