Target Market

If you are the owner or manager of a growing service- or product-oriented small business who needs access for up to 5 licensed, named users, then Sage Peachtree Complete Accounting 2012 Multi-User Edition is for you. Its easy-to-use core accounting features and in-depth analysis capabilities are designed to help you manage your business and automate key tasks—all in one place. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage Peachtree Complete Accounting Multi-User Edition makes it easy to upgrade your accounting system to meet the needs of your growing business.

Sage Peachtree Complete Accounting 2012 Multi-User Edition enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, in-depth inventory, time and billing, job costing, audit trails, screen-level security, and more. It offers user-friendly tools and multiple Help options to get you up and running quickly. For improved productivity, Sage Peachtree Complete Accounting Multi-User Edition allows up to 5 licensed, named users to work in Sage Peachtree. In the event you need a more robust solution to handle such needs as company consolidation, serialized inventory, change order processing, and advanced budgeting, please consider Sage Peachtree Premium Accounting 2012 Multi-User Edition.

Why Choose Sage Peachtree Complete Accounting Multi-User Edition?

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Sage Peachtree is the perfect choice. It's designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Sage Peachtree Complete Accounting 2012 Multi-User Edition is an easy-to-use solution based on real, double-entry accounting principles with access for up to 5 licensed, named users, screen-level security, audit trails, and automatic accounting checks, so you get the accuracy and control you need to improve results.
