In 100 Words

Sage Peachtree First Accounting 2011 is an easy-to-use, basic accounting solution that helps improve your productivity. It provides tools to create invoices, record customer payments, write checks, track expenses, produce customer statements, and generate reports. Getting started is easy with 30 days of free online training* and in-product help including a Setup Guide. Simplified navigation helps you track customer invoices from billing through payment. Ideal for start-ups and small businesses that are switching from a manual system or personal finance software, Sage Peachtree First Accounting 2011 provides 35+ customizable reports and financial statements. First-time Sage Peachtree customers receive 30 days of free support*.

(*See www.peachtree.com/disclosures for details.)

Target Market

Sage Peachtree First Accounting 2011 is designed for the owners of small businesses who need to organize their financial information. Easy-to-use screens and multiple Help options make it ideal for those who are looking to automate their financial records for the first time or are converting from personal finance software. Sage Peachtree First Accounting 2011 enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, item tracking, generating 35+ reports, and more.

All first-time Sage Peachtree customers receive 30 days of free support*, 30 days of free online training*, and a no-risk, 60-day, money back guarantee, which guarantees satisfaction or refund of purchase price less any rebates paid. In the event you need a more robust solution to handle such needs as: payroll*, inventory, job costing, time & billing, or multi-user access*, please consider
