Target Market

If you are the owner of a newly-formed or developing small business who needs to organize your financial information, Sage Peachtree First Accounting 2012 is for you. Its easy-to-use screens and multiple Help options make it ideal if you are looking to automate your financial records for the first time or are converting from personal finance software. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage Peachtree First Accounting makes it easy to organize and manage your business—all in one place.

Sage Peachtree First Accounting 2012 enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, item tracking, 35+ customizable business reports and financial statements, and more. In the event you need a more advanced solution to handle such needs as employee management, inventory, and comparative budgeting, please consider Sage Peachtree Pro Accounting 2012.

Why Choose Sage Peachtree First Accounting?

Running a small business is hard work. When you organize all of your business information in one place, it's easier to succeed. Sage Peachtree First Accounting 2012 is that one place. Easy to start and easy to use, it's ideal for small businesses that want to improve efficiency and “get the numbers right.” Sage Peachtree provides insight and control to help you achieve results.
