Target Market

If you are the owner or manager of a growing business looking for a premium accounting solution to handle your complex business management needs, then Sage Peachtree Premium Accounting 2012 Multi-User Edition is for you. This comprehensive solution combines user-friendly tools with robust functionality for up to 5 licensed, named users to help you organize and manage your business—all in one place. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage Peachtree Premium Accounting Multi-User Edition provides the tools you need to achieve your strategic growth objectives.

Sage Peachtree Premium Accounting 2012 Multi-User Edition enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, company consolidation, advanced budgeting, serialized inventory, the ability to archive company data, custom reporting, and more. It offers user-friendly tools and multiple Help options to get you up and running quickly. For improved productivity, Sage Peachtree Premium Accounting Multi-User Edition allows up to 5 licensed, named users to work in Sage Peachtree.

Why Choose Sage Peachtree Premium Accounting Multi-User Edition?

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Sage Peachtree is the perfect choice. It's designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Sage Peachtree Premium Accounting 2012 Multi-User Edition is an easy-to-use solution based on real, double-entry accounting principles with access for up to 5 licensed, named users, screen-level security, audit trails, and automatic accounting checks, so you get the accuracy and control you need to improve results.
