(*See www.peachtree.com/disclosures for details.)

100-word description

Peachtree by Sage Premium Accounting 2010 – Accountants' Edition provides advanced business tools to help accountants serve their Peachtree clients effectively. Accountants can set up, open and edit files for any Peachtree 2010 product except Peachtree by Sage – Quantum. They can also handle complex tasks such as company consolidations, file restorations from backup, and reviews of client entries via journal reports. Save time with simplified navigation, enhanced integration with Microsoft® Excel®, multi-tasking screens, and comparative budgeting. Peachtree Premium Accounting 2010 – Accountants' Edition has a multi-user option* and includes Crystal Reports® 2008.* (*See www.peachtree.com/disclosures for details.)

Target Market

Peachtree by Sage Premium Accounting 2010 – Accountants' Edition is an advanced solution designed to help accountants access the data of clients who use Peachtree 2010 products. Peachtree Premium Accounting 2010– Accountants' Edition makes it easy for accountants to serve their Peachtree-based clients, enabling them to set up, open, and edit files in any version of the Peachtree 2010 product line, excluding Peachtree by Sage – Quantum. Accountants can review client entries via journal reports, and even select entries to be automatically reversed. Peachtree Premium Accounting 2010 – Accountants' Edition has a multi-user option for up to 5 concurrent users.*

Peachtree Premium Accounting 2010 – Accountants' Edition provides all of the features found in Peachtree Premium Accounting 2010 including: comparative budgeting, simplified navigation, synchronization with ACT! by Sage* and Microsoft® Outlook®, integration with Microsoft Excel®, serialized inventory; company consolidation; departmentalized reporting; advanced forecasting/budgeting; Crystal Reports® 2008*, and much more. All first-time Peachtree customers receive 30 days of free support* a no-risk, 60-day, money-back guarantee, which guarantees satisfaction or refund of purchase price less any rebates paid. Upgrading customers receive one free support call. (*See www.peachtree.com/disclosures for details.)

Why Choose a Peachtree Solution?

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Peachtree by Sage is the perfect choice for you. Peachtree is designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Peachtree is a comprehensive solution based on real, double-entry accounting principles with module- or screen-level security, audit trails, and automatic accounting checks. You get the accuracy and control you need to improve results.
