#### 50-character headline

Serve your Sage Peachtree clients more effectively [50]

#### 25-word description plus bullets

Sage Peachtree Premium Accounting – Accountants' Edition 2012 is an easy-to-use solution that provides accountants like you with tools to help effectively serve your Sage Peachtree clients.

- Set up, open, and edit your clients' Sage Peachtree company files, except Sage Peachtree Quantum
- Handle company consolidations, restore client files from backup, and review client entries via journal reports
- Focus on key business metrics with at-a-glance dashboards
- Create multiple budgets based on departments and cost centers
- Design and share insightful reports with custom reporting tools
- Reduce errors and deter fraud with screen-level security and a clear audit trail

#### 25-word description

Sage Peachtree Premium Accounting – Accountants' Edition 2012 is an easy-to-use solution that provides accountants like you with tools to help effectively serve your Sage Peachtree clients.

#### 50-word description

You need tools to help serve your Sage Peachtree clients more effectively. Sage Peachtree Premium Accounting – Accountants' Edition 2012 is an easy-to-use solution that lets accountants set up, open, and edit files for any Sage Peachtree 2012 product except Sage Peachtree Quantum. Plus, it provides advanced analysis with 125+ reports.

#### 100-word description

You need tools to help serve your Sage Peachtree clients more effectively. Sage Peachtree Premium Accounting – Accountants' Edition 2012 is an easy-to-use solution that enables accountants to set up, open, and edit files for any Sage Peachtree 2012 product except Sage Peachtree Quantum. Handle complex tasks, such as company consolidations, file restorations from backup, and reviews of client entries via journal reports. Based on real, double-entry accounting principles, Sage Peachtree Premium Accounting – Accountants' Edition helps reduce errors and deter fraud with screen-level security and a clear audit trail. Plus, it provides advanced analysis tools and 125+ customizable reports.

### Target Market

If you are an accountant with clients who use Sage Peachtree, then Sage Peachtree Premium Accounting – Accountants' Edition 2012 is for you. This easy-to-use solution provides powerful tools to help accountants like you access client data from any Sage Peachtree 2012 product except Sage Peachtree Quantum. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage Peachtree Premium Accounting – Accountants' Edition provides the tools you need to serve your Sage Peachtree clients more effectively.

Sage Peachtree Premium Accounting – Accountants' Edition 2012 lets you set up, open, and edit files for any Sage Peachtree 2012 product except Sage Peachtree Quantum. Handle complex tasks, such as company consolidations and file restorations from backup. Plus, you can review client entries via journal reports, and even select entries to be automatically reversed. Sage Peachtree Premium Accounting – Accountants' Edition also enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, advanced budgeting, the ability to archive company data, custom reports, and more. It offers user-friendly tools and multiple Help options to get you up and running quickly. For improved productivity, Sage Peachtree Premium Accounting – Accountants' Edition is also available in Multi-User Edition, which allows more than one person to work in Sage Peachtree.

### **Why Choose a Sage Peachtree Premium Solution?**

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Sage Peachtree is the perfect choice. It's designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Sage Peachtree Premium Accounting – Accountants' Edition 2012 is an easy-to-use solution based on real, double-entry accounting principles with screen-level security, audit trails, and automatic accounting checks, so you get the accuracy and control you need to improve results.
