### 100-word description

Peachtree by Sage Premium Accounting for Distribution 2010 Multi-User Value Pack provides access for 5 licensed, named users\* with screen-level security and a clear audit trail, advanced accounting and analysis tools, distribution-specific features, 145+ customizable reports, and Crystal Reports® 2008\* to help small distribution companies improve their operations. Distribution features include flexible pricing, customer and vendor management, serialized inventory tracking, the ability to automatically generate purchase orders based on minimum stock levels and re-order quantities, advanced drop shipping, and the ability to buy/sell in multi-quantity units. Peachtree Premium Accounting for Distribution 2010 is the ideal choice for small distribution companies that want to improve their operations. (\*See [www.peachtree.com/disclosures](http://www.peachtree.com/disclosures) for details.)

## Target Market

Peachtree by Sage Premium Accounting for Distribution 2010 Multi-User Value Pack accommodates up to 5 licensed, named users for improved productivity with screen-level security. It's designed to help the owners of small distribution companies better manage their operations. You can easily handle such challenging tasks as complex pricing management, the generation of distribution-specific operational reports, and managing drop shipments quickly and easily. Additionally, Peachtree Premium Accounting for Distribution 2010 comes with Crystal Reports® 2008\* to provide even greater operational and financial analysis.

Peachtree Premium Accounting for Distribution 2010 Multi-User Value Pack provides user-friendly tools with robust functionality that appeals to distributors and wholesalers in any number of industries. It also offers company consolidation, which is ideal for customers managing multiple businesses. All first-time Peachtree customers receive 30 days of free support\* and a no-risk, 60-day, money-back guarantee, which guarantees satisfaction or refund of purchase price less any rebates paid. Upgrading customers receive one free support call. (\*See [www.peachtree.com/disclosures](http://www.peachtree.com/disclosures) for details.)

### **Why Choose a Peachtree Solution?**

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Peachtree by Sage is the perfect choice for you. Peachtree is designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Peachtree is a comprehensive solution based on real, double-entry accounting principles with module- or screen-level security, audit trails, and automatic accounting checks. You get the accuracy and control you need to improve results.
