#### 50-character headline

Positioning your distribution business for growth [49]

#### 25-word description plus bullets

Sage Peachtree Premium Accounting for Distribution 2012 is an easy-to-use solution that helps you manage your day-to-day accounting while providing tools to handle distribution-specific needs.

- Focus on key business metrics with at-a-glance dashboards
- Automatically generate purchase orders based on minimum stock levels and re-order quantities
- Manage drop shipments quickly and easily
- Manage complex pricing including quantity price breaks
- Use serialized inventory to track warranty claims, recalls, and more
- Create multiple budgets based on departments and cost centers
- Consolidate multiple companies for financial reporting
- Design and share insightful reports with custom reporting tools
- Reduce errors and deter fraud with screen-level security and a clear audit trail

#### 25-word description

Sage Peachtree Premium Accounting for Distribution 2012 is an easy-to-use solution that helps you manage your day-to-day accounting while providing tools to handle distribution-specific needs.

#### 50-word description

You have strategic growth plans for your distribution business. Sage Peachtree Premium Accounting for Distribution 2012 is an easy-to-use solution that helps you manage your day-to-day accounting while providing tools to handle your distribution-specific business management needs. Features include flexible pricing, customer and vendor management, serialized inventory tracking, and more.

#### 100-word description

You have strategic growth plans for your distribution business. Sage Peachtree Premium Accounting for Distribution 2012 is an easy-to-use solution that helps you manage your day-to-day accounting while providing distribution-specific tools to handle your comprehensive business management needs. Distribution features include flexible pricing, customer and vendor management, serialized inventory tracking, advanced drop shipping, and the ability to buy/sell in multi-quantity units. Based on real, double-entry accounting principles, it helps reduce errors and

deter fraud with screen-level security and a clear audit trail. Plus, Sage Peachtree Premium Accounting for Distribution provides advanced analysis tools to help position you for strategic growth.

## Target Markets

If you are the owner or manager of a growing distribution or wholesaling business looking for a premium accounting solution to handle your complex, industry-specific business management needs, then Sage Peachtree Premium Accounting for Distribution 2012 is for you. This comprehensive solution combines distribution-specific functionality with powerful accounting and analysis tools. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage Peachtree Premium Accounting for Distribution provides the tools you need to achieve your strategic growth objectives.

Sage Peachtree Premium Accounting for Distribution 2012 helps you to easily handle such challenging tasks as complex pricing management, the generation of distribution-specific operational reports, and managing drop shipments quickly and easily. Sage Peachtree Premium Accounting for Distribution also enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, project tracking, advanced budgeting, the ability to archive company data, custom reports, and more. It offers user-friendly tools and multiple Help options to get you up and running quickly. For improved productivity, Sage Peachtree Premium Accounting for Distribution is also available in Multi-User Edition, which allows more than one person to work in Sage Peachtree.

## Why Choose a Sage Peachtree Premium Solution?

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Sage Peachtree is the perfect choice. It's designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Sage Peachtree Premium Accounting for Distribution 2012 is an easy-to-use solution based on real, double-entry accounting principles with screen-level security, audit trails, and automatic accounting checks, so you get the accuracy and control you need to improve results.
