Peachtree by Sage Premium Accounting for Nonprofits 2010 provides advanced accounting and analysis tools, nonprofit-specific features, 145 customizable reports, and Crystal Reports® 2008\* to help improve the financial management of nonprofit organizations. Its multi-user option\* helps improve productivity with screen-level security. Nonprofit features include fundraising mail/merge templates. (\*See [www.peachtree.com/disclosures](http://www.peachtree.com/disclosures) for details.)

### 100-word description

Peachtree by Sage Premium Accounting for Nonprofits 2010 provides advanced accounting and analysis tools to help improve the operations of nonprofit organizations. Its multi-user option\* helps improve productivity with screen-level security and a clear audit trail. A pre-configured chart of accounts and customizable financial statements make it easy to get started. Analysis tools include multiple-program reporting, encumbrance tracking, 145 customizable reports, and Crystal Reports® 2008\*. Nonprofit-specific reports include Donor/Grantor Summary. Prior-period locking feature and audit trails help ensure the integrity of your financial records and deter fraud. Nonprofit features include fundraising mail/merge templates. Peachtree Premium Accounting for Nonprofits 2010 is the ideal choice for nonprofits that want to improve their financial management. (\*See [www.peachtree.com/disclosures](http://www.peachtree.com/disclosures) for details.)

## Target Markets

Peachtree by Sage Premium Accounting for Nonprofits 2010 is designed to help the leadership of nonprofit organizations better manage their operations. It combines nonprofit-specific functionality with powerful accounting and analysis tools. You can easily handle such challenging tasks as tracking donors and grantors, mail merge for fundraising letters and receipts, and tracking encumbrances. Additionally, Peachtree Premium Accounting for Nonprofits 2010 comes with Crystal Reports® 2008\* to provide even greater operational and financial analysis.

Peachtree Premium Accounting for Nonprofits 2010 provides user-friendly tools with robust functionality that appeal to a variety of nonprofit organizations including religious organizations, legal aid providers, educational institutions and social/civic associations.

Peachtree Premium Accounting for Nonprofits 2010 also offers company consolidation, which is ideal for customers managing multiple nonprofits. All first-time Peachtree customers receive 30 days of free support\* and a no-risk, 60-day, money-back guarantee, which guarantees satisfaction or refund of purchase price less any rebates paid. Upgrading customers receive one free support call. (\*See [www.peachtree.com/disclosures](http://www.peachtree.com/disclosures) for details.)

### **Why Choose a Peachtree Solution?**

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Peachtree by Sage is the perfect choice for you. Peachtree is designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Peachtree is a comprehensive solution based on real, double-entry accounting principles with module- or screen-level security, audit trails, and automatic accounting checks. You get the accuracy and control you need to improve results.
