Target Market

If you are the owner of a service- or product-oriented small business who needs to keep up with your expanding business, then Sage Peachtree Pro Accounting 2012 is for you. Its easy-to-use accounting features are well-suited to those moving from a manual system or personal finance software. And with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers, Sage Peachtree Pro Accounting makes it easy to organize and manage your business—all in one place.

Sage Peachtree Pro Accounting 2012 enables fast start-up, check writing, invoicing, purchasing, bank reconciliation, item tracking, basic inventory, purchase orders, 80+ customizable business reports and financial statements, and more. It offers user-friendly tools and multiple Help options for a smooth transition from other systems. In the event you need a more advanced solution to handle such needs as project tracking, in-depth inventory, job costing, time and billing, and screen-level security with a clear audit trail, please consider Sage Peachtree Complete Accounting 2012.

Why Choose Sage Peachtree Pro Accounting?

If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Sage Peachtree is the perfect choice. It's designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Sage Peachtree Pro Accounting 2012 is an easy-to-use solution based on real, double-entry accounting principles with module-level security and automatic accounting checks, so you get the accuracy and control you need to improve results.
