Target Market

If you are the owner of a service- or product-oriented small business who needs to keep up with your expanding business and prefers the control and flexibility of managing your payroll in-house, then Sage Peachtree Pro Accounting with Payroll 2012 is for you. You'll get the tools you need to help keep your payroll* on time and accurate for one full year, plus an easy-to-use accounting solution that uses real, double-entry accounting principles to help you get your numbers right. Well-suited to those moving from a manual system or personal finance software, it comes with a no-risk, 60-day money-back guarantee, which promises satisfaction or refund of purchase price less any rebates paid for all first-time customers. Sage Peachtree Pro Accounting with Payroll makes it easy to organize and manage your business—all in one place.

Why Choose Sage Peachtree Pro Accounting with Payroll?

Sage Peachtree Pro Accounting with Payroll 2012 offers instant savings and value with two great products in one convenient package. You get **Sage Peachtree Pro Accounting 2012**, an easy-to-use accounting solution that helps you do the basics and much more, plus a one-year subscription to **Sage Peachtree Select Payroll*** which gives you the tools you need to run your payroll in-house while we track ever-changing tax laws and send you online updates to federal and state forms. If you view accounting as a tool that can help you make better decisions rather than just a necessary chore, Sage Peachtree is the perfect choice. It's designed for people like you who are dedicated to getting the numbers right, so you can truly understand how your business is performing. Sage Peachtree Pro Accounting with Payroll 2012 is an easy-to-use solution based on real, double-entry accounting principles with module-level security and automatic accounting checks, so you get the accuracy and control you need to improve results. (*See www.peachtree.com/disclosures for details.)
